Welcome Center

Google toolbar spellchecker

For the Google toolbar spellchecker;
First you need to type in Google spellcheck in your search box

It will bring you to the Google spellcheck toolbar website

you click on the Download Google Toolbox

It will bring up another webpage, click the box that says you Agree and Install

A window box will then appear and you click on Install

It will tell you if it has been successfully installed and for you to restart your internet for it to be installed
