Budgie Mutations

Standard Requirement, for a Clearwing

Standard Requirement, for a Clearwing Light Green Green Bird Olive

Body Color

Tail

Budgie Mutations

Note that the Clear Wings has visited threk patches, dark blue tail feathers and full body colour.

A Spanje with no markings on the wings can be mistaken with a Clear Wing, but the latter of their in cheek patches and tail feathers.

A spanje with no markings on the wings can be mistaken with a Clear Wing, but the latter for the cheek patches and tail feathers.
