Show Budgerigar

How long are you in a certain class before you have to move up?

Novice to Intermediate is 3 years and you must get 8 points at one club showing.. By that I mean in three years if you go to PRBS Show which is held twice a year and gain 2 points at each show, in three years you would have 12 points at that Club show and would go up to intermediate. If you are blitzing the shows with great birds, it is in the interest of everyone that you go up.
