Kaz's Homemade Egg and Biscuit

Homemade Egg and Biscuit

2 ounces cornflour
1 pinch salt
2 tablespoons peanut oil
2 kilos self raising flour
6 eggs, beaten
4 fluid ounces water

Mix all ingredients into a firm dough, roll out to fit a flat baking tray.
Spray tray lightly with safe cooking oil spray.

Cook in amoderate oven until pale brown.

Allow to cool and than crush the cooked mixture in a blender until crumbled.

Store in a airtight container and feed to birds as required.
